

Company: Pringles Ag Plus

Position: Field Service Mechanic - Agricultural Equipment.

Location: Kimba - Eyre Peninsula

Pringles Ag Plus is one of South Australia's premier Agricultural Equipment Dealers with four locations across Eyre Peninsula. With years of providing service to the Farming Communities all across Eyre Peninsula, Pringles has set themselves in a prime position to have a long standing name in the industry as leading John Deere Dealers. Currently, we are seeking a Field Service Mechanic to complete maintenance and repairs to our customer's machines. The ideal candidate will be a Qualified Diesel Mechanic and have 2+ years of Agricultural Maintenance/Repair experience, with knowledge of; John Deere, Case or New Holland Farm Equipment, in particular the repair and operation of Combine Harvesters will be a distinct advantage. Excellent customer Service and the ability to work independently are prerequisites for this opportunity. We would be keen to here also from heavy diesel techs wanting a new challenge or AG techs not long out of your apprenticeship.

Your Main Duties will include:

Maintain/Operate shop machine tools and equipment. Diagnose, repair and re-condition agricultural machinery and/or equipment Perform set-up and PDI of new equipment. Involve yourself in all necessary training to keep product knowledge current. Be available for On-Call repairs

Consideration will be given to international applicants seeking temporary employment as long as all work visas are held and they are available from a minimum of July through to December. International applicants seeking longer term or permanency in Australia must meet the requirements of the position before any consideration.

Wages:

Our wages are very competitive within our industry and our working conditions are conducive to a good personal and family lifestyle. We have peak seasons through harvest and seeding where overtime is required. Depending on experience - work vehicle, phone and laptop are supplied.

Those with interest in this opportunity are urged to forward their resume along with covering letter in confidence to Richard Parsonage: jobs@pringlesagplus.com.au. Only those in consideration will be contacted for this opportunity.
